Gibson vs. NASA

1:CV 06-1175

(1) motion to proceed ~~In Forma Pauperis~~ under
[Extraordinary writ] to Inform the United States
District of a Report that was send to U.S. NASA
and U.S. District CA, Graveational Tunnles did and have
be around for a very long time.

~~when~~ when I send this Report in to NASA and U.S. ~~per~~
Pentagon and United States court CA. It was to

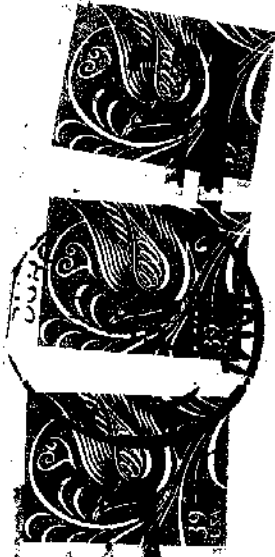

Inform, only. This time I am ~~motion~~ the U.S. District
P.A. to order NASA to give to me and the people of United
States a total Report on Graveational Tunnles.

(2) motion to the U.S. District Court to send one copy
only do to status of my Report.

Jeffrey Gibson

Please Note, graveational Tunnles do let super high energy
metors to hit the Earth. one energy metor equal 1000
small metor or more.
